

WORKSHOP ON HOW TO START A CAREER

Organized by IQAC & Career Counselling Cell

Resource Person: Mr. Romen Chutia

IQAC Coordinator: Mr. Ajit Khanikar

Dated: 17-10-2022

A Workshop on, "To start a career" was organized by IQAC & Career Counselling Cell on 17-10-2022. The students were given a detail description about the importance and practical utility of short term courses. Mr. Romen Chutia was the resource person of the course and he discussed how workshop provides extra support to our main educational qualification and experience. Further, workshops are beneficial for those who are short on time and money. This signifies that workshops / Short term course require less time and money than any other full-time course. Moreover, regular workshop we can improve our knowledge and personality to a great extent.
