Sir / Madam,

The University has come to know of late that some affiliated colleges have presented students of some non-permitted colleges for registration by the University as their regular students. The Affiliation Committee has already imposed a fine of Rs. **50,000/- per section** (is 150 students) on the colleges Affiliated to / Permitted by the Dibrugarh University of the non-permitted colleges which shall have to be paid by the affiliated colleges concern from their own fund without levied it from the students. The Affiliation Committee has also decided that similar kind of penalty shall be imposed on the affiliated colleges who have indulged in the same kind of malpractices as and when detected as a later stage.

In the interest of maintaining quality, particularly under the semester system, the Affiliation Committee has contemplated to take more stern action on the colleges subletting their affiliation. Therefore all the colleges are hereby asked not to indulge in such kind of practice and follow rules regulations of the University.

Your kind co-operation is highly solicited.

Yours faithfully
